I don't think it's passionate about fans, when I say that Waterworld is a completely pleasant summer popcorn shot, all performances are good, the pieces of action are impressive and has a good sense of atmosphere. Cast & Crewseer reviewstriviaimdbroin A future in which polar ice caps are melted and the land is almost entirely submerged, a muta sailor fights hunger and outlaw "smokers", and helps reluctance to a woman and a young man ... It's not perfect for any way. The Theater of Chicagologolan in Logan Square is one of the best places to go to Chicago for a mixture of special images of second moment and indie films. Where else would you expect to capture the best independent California films? The remaining people travel the seas, in search of survival. Cinopolis is one of the obvious choices. Land in a paragraph: in a future in which the polar
